Annual HVAC Maintenance Plan

Company: HAV'ARC Heating and Air
Stockbridge, GA
678-750-0411

Our Annual HVAC Service Plan is designed to keep your heating and cooling system running efficiently all year long. With routine preventative maintenance and exclusive member benefits, you can protect your investment, extend the life of your equipment, and enjoy peace of mind throughout every season.

Included Services

- Comprehensive Spring Tune-Up – Ensure your cooling system is ready for warm weather.
- Comprehensive Fall Tune-Up – Prepare your heating system for the colder months.
- Full system inspection, performance check, and cleaning.
- Priority scheduling for service calls.

Member Benefits

- 15% OFF all parts and labor for any repairs throughout the year.
- Extended equipment life through routine preventative maintenance.
- Improved system efficiency and reduced energy costs.
- Priority service response during peak seasons.

Why Enroll?

Regular maintenance is the key to preventing unexpected breakdowns and costly repairs. By joining the HAV'ARC Heating and Air Service Plan, you're taking a proactive step to ensure comfort, reliability, and savings for your home or business.

Annual Membership Cost

- **\$139 for the first unit**
- **\$89 per each additional unit**

A total unit consists of an **indoor and outdoor unit**. This pricing structure ensures affordability for multi-unit homes while still providing comprehensive protection and maintenance for every system.

Thank you for choosing HAV'ARC Heating and Air. We look forward to serving you!
