Cost

Item Description	Quantity	Unit Price	Total
Labor	6	75	450
Torque Rig	1	186.75	186.75
Vacuum	1	486.75	486.75
Compressor (warranty)	1	\$850	\$850

Total \$1,973.50

Scope of Work:

Remove and properly dispose of the failed compressor. Install a new OEM or approved replacement compressor, replace the filter drier, braze all refrigerant connections using nitrogen, pressure test the system for leaks, evacuate the system to manufacturer specifications, and recharge the unit using virgin refrigerant supplied by GreyStar. Start up the system, verify proper operating pressures, temperatures, voltage, amperage, and overall system performance, and confirm the unit is operating within manufacturer specifications. Clean the work area and dispose of all replaced materials in accordance with applicable regulations.

Warranty Terms

- Labor Warranty: 30 days from completion of service
- Parts Warranty: 1 year from completion of service

Notes

- Pricing includes all materials, labor, and equipment use
- Any additional repairs or parts not listed will be quoted separately.
- Payment due net 30 of completion date.
